PROPERTY DESCRIPTION

This is a lovely, 4,500 square foot home in the exclusive, privately gated Harbor Section of Longboat Key Club's Bay Isles community. Includes membership to the Bay Isles Beach Club. The home offers three large bedrooms as well as a den which could serve as an overflow 4th bedroom. The house has just undergone a transformation; the entry has been raised, as have the living room and dining room ceilings. There is a caged, oversized gas-heated pool overlooking the Harbor. This is a chance to live in a lovely, safe community in a spacious, well-cared for home.
